OSMOTHERLEY VILLAGE THEATRE'S next production

WAITING IN THE WINGS by Noel Coward
2nd, 3rd and 4th April
2014 In the Village Hall
7.30pm

The Wings is a charity home for retired actresses in straitened circumstances who have been stars in their heyday. These aged ladies grow older

ungracefully amid their memories, petty squabbles and jealousies, when on a June day the once-great actress Lotta Bainbridge arrives. Years ago she married the ex-husband of one of the residents – May Davenport – and her arrival rekindles a long-standing feud which affects the atmosphere of the home.

When one of the more deranged inmates sets fire to

her room, the aftermath offers an opportunity for reconciliation. Lotta and May then spend what time is left to them in peace and harmony. A funny and ,at times, moving play with a large cast of characters.

Book early to guarantee a seat. Tickets (£6 , with £4 concessions on Wed.2nd) will be available from the Top Shop Box Office from the first week of March or telephone 883224

WEAR RED FOR LOVE- A Service for all the family for Mothering Sunday. St Peter's Church 10.45am Mar 30th

Mothering Sunday is late this year. This special day in the calendar will be marked by a service in St. Peter's. We will look forward to sharing in the varied contributions from our Primary School children and also from Mums (and Dads) in our local community

We are inviting everyone who attends, to wear something red. Red can of course symbolise a range of feelings but on Mothering Sunday we shall use it to celebrate the love we receive from our families and from Mum in particular. We shall also give thanks for all those who provide us with 'mothering' support.

There will be gifts of flowers and some special refreshments - although we can't guarantee that these will all reflect our 'red ' theme, we will do our best to be creative!

We do hope you will be able to join us — we look forward to seeing you

Parish Council

The meeting opened with a minutes silence in memory of Howard Higgs, a former resident, past member of the PC and past Chairman who died in January. He had been most active and enthusiastic in all he tackled and he will be sadly missed.

Several maintenance issues were considered at the February meeting including the never ending water leaks. At least the major one on Clack Bank was attended to quickly but problems still occur with smaller leaks and often it isn't until they ice over before Highways attend to them. Highways along with all of local Government have had a 35% reduction in their budgets and this has a serious effect on efficiency. The Highways gritting service has not been as seriously affected but they are not able to attend to village and minor roads until such time as major ones have been treated and some local delays are inevitable.

The inscriptions on some of the panels of the War Memorial are very much faded and research will take place to both find out how accurate they are and how they can be repaired. Considering the memorial was first erected in 1927 much work may be needed and funding would then be required.

The Police reported that they have recently attended to a local burglary but most property there was recovered, they have also attended to motoring offences, one which involved drugs at Sheepwash. Poaching is now a much more high profile crime and any reports will be taken seriously, if anyone witnesses a suspected crime, why not use your mobile phone to take a video which could be the evidence needed. The Police are also able to carry out an engraving service for vulnerable items, quad bikes and similar to try to ensure these remain safe from theft.

Following the recent chaos when a major event was held in the village, steps will be taken to consider better terms and conditions so that improved controls can be effected. When events such as the Summer games are planned it is a requirement that the Police are consulted and this would have prevented the recent problem involving persons breaking through the current Cleveland Way footpath closure.

Community Monthly Coffee Morning

Daffodils and Pancakes

Community Coffee Morning
March 4th St Peter's
Church 9am - 11 30 am (or
any time in between)

Our next Community coffee
morning just happens to fall
on the same day as Shrove
Tuesday or Pancake Tuesday
as it is often known. To
mark the occasion, the
younger children from
Osmotherley Primary
School and Osmotherley

Pre-School will be making
pancakes and inviting us to
taste them. We hope that
Spring will be on the way as
March begins and that the
daffodils will have started to
appear. Daffodils are also
the emblem for Marie Curie
Cancer Care and so we will
be making a donation to that
good cause from your
contributions.

Of course we will still have
plenty of Coffee and Cake!

Thank you to everyone who
supported our coffee morning
in February. Donations were
made to Osmotherley Primary
school and Pre-School .

Pre-School has used the
donation to fund a new sign to
promote its educational work.

Next Community Coffee
Morning at St Peter's Church is
1st April

PLEASE BE LYME DISEASE AWARE

It has come to my attention
that some of the ever-
present ticks in the area can
now carry a disease that
affects humans in a variety
of ways, most delayed and
very serious. If the bite is
from an infected tick there is
an identifiable skin reaction
– it looks like a “bull's eye”,
sometimes very red and
round and sometimes faint
and not so round. If in
doubt, look up the images of
LYME DISEASE on the
internet. The quicker

intravenous antibiotics (not
oral) are started the less likely
serious consequences will
develop in the future -
including loss of sight and
severe arthritic conditions.

We are a farming community
and this disease can go
undetected for years but
cannot always be identified by
a blood test later. It is the
“bull's-eye” reaction that is the
confirmation the bite was
from an infected tick
