Parish Council

Osmotherley Area Parish Council received a planning application a few weeks ago seeking to vary the conditions relating to the Wind Turbine scheme near Winton and Kirby Sigston to permit a start to the project before all conditions have been met. Because of this the PC have met with both the planning officers of Hambleton as well as with the developers to try to get to root of the problem. It has transpired that the MOD have yet to approve any Radar Mitigation Scheme and without this no approval should be given. As well as this the Environmental Impact Assessment is several years old and again this should have been updated. The June meeting of the PC held at Kirby Sigston resolved to send a strongly worded letter to the Planning Authority in advance of the hearing by the Planning Committee on the 25th June which is expected to be very well attended by residents from Kirby Sigston and the surrounding area. If the developers are unable after 5 years to comply with the conditions it is considered that they have failed to achieve the necessary consents and should not be allowed to proceed.

Highways are due to carry out some road repairs in the near future as well as water main works scheduled on South End at the beginning of July, these could cause considerable disruption if not handled with care. Plans have been submitted for works to Graham House on West End, the PC considered that the render on one wall should be removed and the stonework exposed and repointed. A heat source pump has been installed adjacent to the Churchyard and is deemed to be inappropriate and should be lowered to below the wall and that timber screening should then be installed.

Funding applications have been submitted for the works to the Toilets and to the Churchyard wall and details are yet to be received. In the case of the Churchyard wall it also requires a Faculty from the Diocese and these matters are bound by layers of red tape and are taking a long time to resolve.

Village Hall

The Village Hall Committee is pleased to announce that, following an application to the Big Lottery Fund, we have been awarded nearly £10,000 to complete some refurbishment work on the Village Hall. This means that we will be buying some new chairs, new curtains (so it's good-bye to the '70s splurge ones finally), re-fitting the toilets and laying new entrance flooring. We will announce the dates for the toilet refit work well in advance but this work will be completed no later than May 2016. The chairs and curtains will be in place

as soon as possible. The group making sure that this all gets done is Ellen, Hilary, Simon and Paul.

Chair test - Fri 18th Sept at 7.30pm

If you are passionate about the comfort of chairs in the Village Hall (we know you're out there!), please come and conduct a special chair trial before the first film of the season - we would love to hear your views before we make any purchase.

Film and TV Quiz Night - Friday 25th September, 7.30pm, Village Hall

Teams of 4 are invited to come and test their wit in our Film and TV Quiz night to raise funds for local charities. Could you name that tune from popular TV series over the decades or famous film scores? Can you give the names of 3 of the actors who have played famous roles such as Sherlock Holmes? Do you remember the '70s sitcoms and soaps?

Join us on Friday 25th September! £5 entrance fee for each team of 4 with prizes galore and nibbles included. Bar will be open. Please contact Hilary 883721 for entrance details.

Final Community Coffee Morning For This Season

Our July Community Coffee Morning will be held in St Peter's on July 14th at 9-11 30am. We will be raising money for St Peter's and The Orphanage in Bungoma Kenya where Trevor our parish priest has a link.

As we come to the end of our second year, it is perhaps a good time to review these events. To date, the 2014/15 coffee mornings have raised in the region of £2000 towards the work of a range of local charities - our June Coffee Morning raised £200 for

Friends of Chernobyl's Children. Although the money raised is an amazing testimony to everyone's generosity, fund raising is not the prime purpose of the Community Coffee Mornings. The clue is in the title! Above all these events aim to foster a sense of community, providing an opportunity for people of all ages to come together - and they do precisely that. Last month we were privileged to welcome all the children from Osmotherley Primary School, lots of parents/grandparents, many regular village residents, several first time attenders,

visitors to the village and even 2 dogs!

The success of these events is due to fantastic team work and our thanks go to everyone who has helped, whether making cakes or biscuits, serving, washing up, making music, presenting information, distributing leaflets and posters and most of all attending on the day. Whatever you do - THANK YOU

We look forward to seeing you in July and then again for our third season which begins on Tues Oct 13th.

Summer Hols for the Projection Room. It has been another successful season of film with good audiences, well-received films and enjoyable film evenings across the months from September to June. We thank our members for their

support - without you, there would be no Osmotherley Film! As we all head towards the summer hols, Osmotherley Film also takes a break. Work on a new season of film is underway. All will be revealed at the other end of summer in time to fill your monthly film

evenings from September to June! When the time comes to launch our new season, we hope as many as possible of you will choose to join us as members: it is our membership fees that finance the season.

50s plus Club - June's lucky winners. £25.00 - Pearl Dick £12.50 - Jennifer Brennan.
