YOUR NEW SEASON OF FILM LAUNCHES

10 great films at an unbeatable price :-

Eddie Redmayne, Dame Maggie Smith, Billy Connolly, Kristen Scott-Thomas, David Tennant, Sir Anthony Hopkins and more are waiting, ready to join us in the months ahead. What a line-up!

They're all part of our new season of film launching this month on FRI 18th SEPT. See below :-

From now until June next year, every 3rd Friday, the Village Hall becomes the place to be to enjoy a feast of film in front of the 'big screen'. A rich and varied programme awaits, including this year's Oscar hit (our opening film); brilliant French-set drama with a stellar cast (My Old Lady); comedy and lighter moments (What we did on our Holiday); there's the best of world cinema (The

Chorus) and also the powerful and thought-provoking (Cry Freedom; Testament of Youth). In other words, something for everyone! For details of the complete season, please see our website and our preview leaflet.

If you enjoy film – if you want to keep 'live' film in our midst – then you need your membership of Osmotherley Film, without delay!

Membership for the season: £35 (entitling you to free admission to every one of our 10 films) (you must be 16+ yrs of age to join).

Some quick Q&A:

Do I need to be a member to enjoy the season? Yes please! Osmotherley Film is a film society reliant on the membership fees of its members to finance the season. Without this support, we cannot operate.

I've not heard of some of the films. Our season is a great way to discover some of the riches of film-land. Let us

lead you on a journey of discovery!

I've seen 1 or 2 already. We cannot factor for everyone's 'watched' list but aim to present a rich kaleidoscope of film for all to enjoy! And don't forget, the only way we can operate the season is through membership, which is unbeatable value for what we bring to you.

I'm interested in learning about projection and helping with the film evenings. Is this possible?

Absolutely! We are looking to boost the 'film crew' this season. Please talk to us.

Previews and Membership forms can be obtained from Top Shop (thank you again) and are also downloadable from our website.

Each of our seasons has been a real success story – we aim for the same again in the season ahead. We hope you will help it be so. Here's to happy film-going! (time to fill in the membership forms...)

Parish Council

The July meeting of Osmotherley Area Parish Council was again dominated by the ongoing application by the Wind Turbine developers to vary the already approved conditions. The PC has grave concerns regarding the accuracy of the environmental assessment which was written more than 8 years ago and as such much effort has been given over to ensuring that should HDC proceed all of their procedures must meet with approval in the affected locality. In addition the MOD have yet to agree that the radar mitigation scheme meets their requirements.

A planning application has been submitted to build a house for use as a holiday let in Thimbleby. All neighbours are opposed to this development which is within the conservation area and adjacent to listed buildings, as is the National Park who consider the new development would be out of character in that location.

The condition of various parking areas within Osmotherley is giving cause for concern and both Highways as well as the PC have indicated that these tarmac areas are not their responsibility. In most cases when a property changes ownership the Land Registry assign the footpath to that property and as such there is evidence to support that view, additionally if these surfaces were to deteriorate then any uneven surface could be classed as a hazard. Several items of equipment in the Play Area require maintenance and the necessary parts have been ordered. Although at this stage the defects are not categorised as serious, the repair work is still considered essential by Members.

A local volunteer has very kindly offered to undertake gardening work at the Pinfold and another resident has made a similar offer to look after the garden border around the War Memorial—many thanks to both for their efforts now and in the future.

Macmillan Cancer Support—World's Biggest Coffee Morning – Friday 25 September 2015 Osmotherley Coffee Shop 10.00am - 12.00

Many people benefit from the services of Macmillan Cancer Support either directly or indirectly as friends and family. Every day in our area 42 people are given the news they have cancer. By 2030 it is estimated there will be 169,000 people living with cancer in the North East of England.

I hope you are able to come along to the Osmotherley Tea and Coffee Shop on Friday 25 September 2015 between 10 am – 12 noon

and give your support to the incredibly important work Macmillan do to help people with Cancer. All the proceeds from the Coffee Morning will go to Macmillan Cancer Support. I have personal experience of cancer and know how vital Macmillan Nurses are and what a wonderful job they do. The money you help raise will also support vital local services in this area such as two Macmillan Chemotherapy Nurses and Macmillan Pharmacists. Every pound raised will help make

sure no one faces cancer alone. Do come along if you can and have some delicious cake and a natter. Cake always tastes better together! Also grateful thanks to Fiona Manners who has very generously let me hold this event in her Tea and Coffee Shop. If you are unable to come along but would like to make a donation please contact Lyn Rogers on 01609 883615 or lynrogers62@gmail.com.

Summer Games

"This year's Summer Games was a huge success. A fantastic day was had by all and we were even blessed with good weather! We are delighted to have raised around £1900 which will go towards the upkeep of the Village Hall and other local causes.

The Committee would like to take this opportunity to thank the many helpers and volunteers who made the day possible. There are too many people to name, but all of your hard work is much appreciated and without it we could not deliver such a wonderful village event.

We now look forward to next year's event which is planned for Saturday 2nd July. If anyone would like to get involved with the Summer Games Committee or help organise next year's games please contact Paul Howlett at pchowlett78@aol.com."

Community Coffee Mornings: New Community Cook Book

As many of you know, the Community Coffee Mornings held in St Peter's Osmotherley have proved to be a wonderful way of providing opportunities for our communities to meet, as well as raising money for a number of organisations and charities. Plans are now in hand to bring together all the delicious baking recipes from the Community Coffee Mornings and we are delighted that Amy Callin, formerly Senior Tutor at Betty's Cookery School, has agreed to coordinate and edit the

cook book on our behalf. The aim of the book is to combine previously unpublished, authentic local family cake and /or scone recipes, or recipes that have been evolved over time by local people so they are now a recipe in their own right. If you have such a recipe, or a recipe that you have adjusted, or to which you have added a flavouring or changed a filling, do get in touch with Amy either via email: amycallin@hotmail.co.uk or telephone 01609 883091. Amy will supply you with a

list of the information we need from you, and details of how to forward this.

All the proceeds from the sale of the book will go towards community activity at St Peter's.

We would really like to produce the book in time for Christmas so we need your recipes as soon as possible or by September 30th.

We look forward to receiving your contributions — if this project is successful, we will produce a second volume of soups and savouries!

Osmotherley Trail 20k, Sun 25th Oct 2015, 10am

Another new addition to the Gr8 Trails series, the Osmotherley 20K.

The event will start and finish in the beautiful village of Osmotherley. The route will take you out of the village on the Cleveland Way to the mast at Beacon Hill before heading back towards Cod Beck Reservoir.

A short road section will take you to Square Corner... this is where the serious climbing begins, upwards onto the Black Hambleton Hills, where the views on a clear day will take your breath away. You will stay high for 3 miles before dropping back down towards Square Corner, returning to Osmotherley via the Cleveland Way.

The route will be well marked and will follow public footpaths and bridleways at all times. Goody bags for all finishers, with refreshments at event HQ in the Village Hall. For route details see <http://www.plotaroute.com/route/38588>. Entries at www.gr8events.org.uk/our-events/.

Church News

Harvest Festival followed by Community Lunch Sun Oct 4th, 10.45am St Peter's, Osmotherley

Our Harvest festival this year will be a little different. The service will be a great act of sharing. The various Christian communities in Osmotherley will join together to share the service and everyone will be invited to share in the community lunch.

There will be no charge for the lunch but donations will be welcomed and will be shared to support both community development in Osmotherley and the work of the Church

Urban Fund which works to tackle poverty in England.

We hope you will be able to share in our Harvest celebrations and we look forward to seeing you.

News from St Peter's

Apologies for giving the wrong date for Harvest Festival in last issue of the Messenger.

Trevor Lewis will send information about the 36 mile sponsored walk which he and his supporters completed on the 25th July around the 11 churches in the Benefice. It has raised a goodly sum for the Bungoma Mission. They paused here for bacon butties

for breakfast on a sunny morning in the church yard.

The next day there was a traditional Church Tea in church house which raised £225 for St Peter's and was much enlivened by a coachload of Newcastle Ramblers in need of tea after their efforts!

Finally the bad news – thieves struck at the church oil tank and got away with 500l of oil and damaged the lid. We are all astonished that apparently no-one saw anything suspicious. It is so annoying as it costs hard found money and valuable time sorting it all out.
