Village Hall

Thanks to everyone who took part in the spring clean in April. It was great to have so many people helping and we got a lot more done than usual. The hall was gleaming and the garden looks lovely.

We spring-cleaned the lost property box and found the following items: A Grey and blue tie, 1 Selle permagrip Glove, 1 witches hat (!), 1 baby blue baby's cardigan, 1 blue baby's hat, 1 Large, brown men's F&F jersey, 1 black girl's skirt with red

hearts, 1 stripy scarf (STG by Duffer), 1 canvas cream handbag, 1 navy blue hooded top and a pink corduroy hat.

Please come and claim anything that's yours before the end of June. After that, we plan to take these items to a charity shop.

The theatre group have proposed that we purchase a sound system for all users of the hall. This proposal is supported by the school and film club. The theatre group

are preparing a costed proposal. It is the first request we've had since we created the equipment purchase policy. This policy is displayed on the notice board outside the hall. Dave Morris will be inviting all the affiliated organisations to a review of the proposals.

We now have a blue recycling bin for the hall so that users can put their cans, glass and plastic bottles out for recycling rather than into landfill.

Please note: The July issue of the Messenger will be produced early to allow the inclusion of Osmotherley Games information. So expect your copy to land on your doorstep during the weekend of 19/20th June.

This means any articles need to be with us by June 12th at the latest.

Parish Council

When Osmotherley Area Parish Council met in May members heard that the Village Design Statement has now passed all its committee stages and that the North York Moors National Park will now place it on their planning agenda of the 17th June following which it will go out for public consultation. It will hopefully then be approved as a supplementary planning document, assuming that there are no objections to the content. Much hard work has gone into this document and it deserves to be accepted by the authority.

Problems with car parking and with anti social behaviour are still occurring in the Sheepwash area and a byelaw is to be investigated by the National Trust with the aim of making it an enforceable offence to act in such a manner. Police enforcement of parking may be increased particularly where vehicles are likely to impede access by any of the emergency services.

After several months of negotiation with Hambleton the final documents have been exchanged and the Cemetery will now be handed over into parish council control later this month. Much work however is needed to bring this burial ground back to the condition that is desired starting with a need to ensure that all memorials are maintained in a safe condition. Stability testing has been carried out and many of the stones have had to be laid down rather than risk them becoming a safety hazard and members are keen that relatives of those buried there come forward and offer to make good any damaged or dangerous stones to prevent any likelihood of an accident in the future.

Planning applications ranged from an agricultural storage building at Hallikeld to a complex application to enlarge and alter a dwelling at Red Briars. Members were in favour of most of these proposed applications but had strong reservations with regard to the complex alterations to the Golden Lion and wished in this case to seek assurances that any approval be subject to conditions affecting the proximity to adjacent buildings and that should the downstairs restaurant be approved then the upstairs facility should be closed and not be permitted to reopen.

Concerns were expressed that the exit from Colgate Lane is frequently impeded by vehicles parked far too near and Highways will be asked to consider other ways of assisting those with a need to use this lane to gain access to their fields when needed. This subject and many others will be considered at the **Annual Assembly which is to be held on Thursday 27th May in the Village Hall** when Mr Nigel Smith of NYCC Highways will be on hand to answer residents views concerning the many problems faced during this past winter. There will also be a brief presentation about the Design Statement as well as an update covering the handover of the Cemetery to a parish responsibility. Refreshments will be available after the Assembly which is scheduled to last for no more than an hour and a half

Osmotherley Pre School

First of all a HUGE
THANK YOU to everyone
who joined us for the
Sponsored Walk on Saturday
8 May.

Almost 40 people completed
the fun filled walk. Though
we don't have the final figure
as yet, well over £500 was
raised for each of the chosen
charities (Pre-school and
Zoe's Place Hospice), so
well done and thanks again.

The BEACH PARTY will
now be held in the Village

Hall on Saturday 17 July,
7.30pm not in June as
previously advertised. That
gives everyone plenty of
time to top up their tans and
dig out those sombreros.

Tickets £10, buffet dinner,
bar, disco and maybe a few
beach games thrown in!
Tickets available from pre-
school, Sharon Pitts
(883465) and Vicki Morton
(883168).

**Thank you to all those
who bought tickets for**

the Village Theatre performance on

Wednesday evening and
helped to raise £130 for pre-
school.

The performances were
absolutely brilliant and on
behalf of the staff, children,
parents and committee I
would like to pass on our
thanks and appreciation for
nominating us as your
benefiting charity.

Osmotherley School

At last – some warmer weather! The summer sports have started with years 5 and 6 taking part in a Kwik Cricket tournament at the end of this month. We have rounders and athletics to come too so I do hope the dry weather holds! We are also taking part in a Tag Rugby Festival at Thirsk. I am sure you will join me in wishing the teams luck!

Year 1 have been out to meet up with their peers from some of the other local small schools. They took part in a science workshop involving two puppets called Discovery and naughty Nora. The

children had to investigate which material was best to clear up an unfortunate puddle! Lots of great investigating went on and the children had a great time!

The weekend for Year 5 at Kingswood outdoor centre in Hexham was a great success. The children had a wonderful time and I enjoyed myself too! I think the highlights were the zip wire and the campfire which were awesome! The children – as ever – were a real credit to their parents and to the school.

The children have just completed Young Enterprise

week – where trained volunteers from the local community come into school to work with the children to help them appreciate the world of trade and what the world of work is all about! I would like to say a big thank you to Mr Ken Blackwood and Mr Mark Decosemo for giving their time to deliver this course to the children.

Year 6 have completed their SATs tests – yes- Osmotherley School decided to do them! And now we are working on our Leavers Service which will be on Thursday July 22nd in St Peter's Church at 2pm.

Please come along and support us. **Computer Skills**

The course will be at Osmotherley Primary School on a Wednesday afternoon 1.30 - 3.30pm. Dates are yet to be confirmed depending on the numbers of people who may be interested. This FREE course runs for 4 weeks and is designed to help those who know nothing about computers through to those who want to advance their skills. CONTACT either Mrs Vernon or Mrs Shepherd on 883329 to register your interest.

Fresh Air Festival

On Saturday 24th July North Yorkshire will host its first ever Fresh Air Festival

Every week millions of us enjoy the fun of being outside whether it's gardening, climbing, fishing, sailing, twitching or just a walk in the park. The Fresh Air Festival is

a day to discover what the great outdoors has to offer. The event partners include Rotary, Round Table and local Councils and we will be inviting local celebrities to the day.

With a wide range of activities, entertainment, information stalls,

demonstrations, trade stands and local produce on offer the Fresh Air Festival has something for everyone. There is a full information pack about the day. Contact Fresh Air Festival Event Organisers on 01765 609167 or www.freshairfestival.org Thirsk Auction Mart will be

home to this annual event providing covered and open exhibitor zones, Osmotherley Community organizations, such as the Garden and Photography club, may like to get involved in the day?

www.osmotherleyfilm.co.uk

This month sees our Season Finale!

For this we bring the acclaimed 2009 film, for which Carey Mulligan won the BAFTA for Best Actress:

"An Education"

[2009] [UK] Cert 12 100mins

Jenny, a bright and aspiring 16 year old, is on course for entry to Oxford University so long as she can master Latin, her parents eager for her to achieve this goal. Dreaming of life beyond school and 1960's suburbia, her current existence of studies and music lessons at times feels just too stifling.

All is to change one rainy day with the chance meeting with David – twice her age, urbane, witty, a circle of friends that open a door to the world she has been dreaming of. He's even able to win over her parents. It seems too good to be true.

A world of classical concerts, suppers, soirees and more are to provide Jenny with David's version of education – life. Her school friends delight in her new found sophistication whilst her teachers fear she is about to throw away her talents and a higher education that is hers for the taking. On the cusp of adulthood, what

will Jenny choose?
Starring: Carey Mulligan; Peter Sarsgaard, Alfred Molina, Dominic Cooper, Rosamund Pike, Emma Thompson.
Friday 18th June Doors open 7.30pm; the film starts 8pm.

Guests (who must be 16+ years of age) are welcome
Guest Fee is £5

For full information and season previews see our website

Sat 24th Fresh Air Festival . Thirsk Auction Mart

St Peter's and Churches Together

We are delighted to be able to announce that in June the Rev Trevor Lewis will be coming to the Benefice as a "House for Duty" minister. Trevor and his wife Margaret will live in the Vicarage in Ingleby Arncliffe but his activity will take him into all parts of the Benefice. We extend the warmest welcome to them both.

You must all have read by now about the celebrity organ concert by Carlo Curley on Sarurday 29th May - this is bound to be very exciting and a great musical event in the Osmotherley calendar.

Another unusual event will be the Puppet event

organised by the "Salt and Light" puppet team from All Sainrs' Church in Eaglescliffe which will be held in the Church on Sunday 27th June at 4pm. This talented group will present a programme for all ages featuring " A Voyage of Discovery" in which you are invited to join Captain Jim and his puppet friends as he sets sail across the high seas, on a voyage to discover the best treasure ever. Admission is free and all ages are welcome and there will be refreshments for all.

In early July we shall be starting the wonderful Church Tea programme and this will run until the end of August. The first tea in the diary is on Sunday 11th July

in Church House and as with all teas in the programme it will start at 12.30 (some tea! you could make your lunch there). Here and at the subsequent teas you will be able to sample the marvellous home cooking of the area

On 18th July we shall be joining with our friends in "Churches Together in Osmotherley" for the Annual Ecumenical Pilgrimage which starts at St Peters at 2pm and will include a leisurely stroll round the places of worship in Osmotherley"

Methodist Church - Mix and Mingle

The Methodist Church will be open for coffee from 10 till 12 every Saturday morning from May 29th until the end of August. This proved very popular

last year, so please come, meet your friends and make new ones. If you have never visited this chapel dating from 1754, where John Wesley preached, do drop in

and learn something new about the history of our village. We are located in the passageway which runs up from North End.
