Archbishop opens new facilities at St. Peter's

At last the great day arrived. Our new kitchen, meeting room and toilet were all blessed by The Archbishop of York on Sunday September 16th.

Perhaps the best way to sum up the occasion is to use the Archbishop's own words which he tweeted the following day. Thank you to everyone for your support.

Remembrancetide

This year marks the 100th anniversary of the end of World War 1. Nationwide commemorations are being planned and as publicised elsewhere in this issue of the Messenger, Osmotherley will be marking the occasion with a number of activities. Remembrancetide begins on Saturday 27th when the annual Poppy Appeal commences.

As usual, collecting boxes will be placed in all the village pubs, Top Shop etc. and volunteers will conduct a house to house collection. On Sunday 28th the Field of Remembrance at the War Memorial will be dedicated. Remembrance crosses will be available from collectors or commercial outlets. These can be placed in the Field of Remembrance at the service of dedication or afterwards.

Remembrance Sunday on this important anniversary appropriately falls on Armistice Day, 11th November and will be marked with the usual parade and Act of Remembrance at the War Memorial followed by a service in St Peter's. More details (including parking and road closure notices) in next month's issue.

Harvest Time in Osmotherley

A Community Harvest Festival will be held in St Peter's on Sunday Oct 7th at 10.45am.

Gifts of flowers or produce to decorate the church are very welcome and should be brought to church on either Friday Oct 5th or Sat Oct 6th.

There will also be a Harvest Festival Service led by Revd David Godfrey at Osmotherley Methodist Chapel at 2.30pm on Sunday Oct 14th.

Everyone is welcome at both events.

Parish Council Meeting 13th Sept

The autumn session began on the 13th and the items discussed included:

- Issues concerning the Queen Catherine hotel have been raised by many residents over the summer and the passageway to the churchyard has also been causing problems. Both these issues are being addressed by the relevant parties.
- An inter agency meeting was held at the instigation of the PC, to discuss the resident concerns over the bus parking at Westfields. It was felt that real progress has been achieved and it is hoped that all parties can work together to improve communication in future.
- Five issues of anti social behaviour were reported to police between July and September together with 4 burglary reports. Grants for the play area improvements have been successful and as such the refurbishment of some of the existing equipment has been approved. It is hoped that this will take place before the end of November.
- The War Memorial planting is of concern following the Northgate team having to withdraw its support. A new supplier of services to the planting of the war memorial will be sought.
- Five planning applications were submitted for discussion during the last two months with all achieving approval, some with comments and concerns.
- The trees on North End, although in a conservation area, will be looked at once again with a view to pruning when appropriate to size and timing. An Arborist will be consulted initially.

Osmotherley and District Garden Club

Two meetings are planned for October, both in the village hall and visitors are very welcome to attend.

**Tuesday 2nd Oct 7.30pm.
From Plot To Pot with
Martin and Jill Fish.** This promises to be a varied evening which combines tips about growing fruit, herbs

and vegetables with a culinary interest including tasting several recipes. The session will end with an horticultural Q&A. . Earlier this year Martin was awarded the Harlow Carr medal given by the RHS to those who have made an outstanding contribution to gardening in the North of England.

**Tuesday 30th Oct 2.00pm.
Japanese Gardening with
Andy Bolton.** The illustrated talk will cover Hanami (Japanese blossom viewing) as well as the different types of Japanese gardens, their history, design, planting and what influences them. Our final meeting of the year will end with light refreshments.

Osmotherley and Area Oil Cooperative

Are you interested in joining us, to save money on heating oil?

The Cooperative now benefits over 100 households in Swainby, East Harley, Ingleby Arncliffe, Ingleby Cross as well as Osmotherley. By pooling our requirements we are able to negotiate a lower price for oil – previous orders have been 3-7p per litre lower than prices offered to individual customers.

How does it work?

Every other month the Cooperative Coordinator emails members asking for order amounts. The coordinator negotiates with various companies for prices based on the total volume and places the order. The oil is then delivered on agreed days, and the supplier sends each member a bill for their own oil. The bill is payable direct to the supplier from the member within two weeks. Members only order when oil is required – they don't have to order oil each time.

The next order will be placed at the end of November and then every other month.

Interested in joining, or want more information? Give Syd a call or send an e-mail.

Osmotherley Poppy Festival

Osmotherley Poppy Festival:

November 10th and 11th 2018 The festival will mark 100 years since the end of the First World War. Proceeds will go to the British Legion Poppy Appeal.

Details of the Festival weekend on Nov 10th and 11th are included on the Community Events Poster. There will also be a Festival Programme of Events in The November Messenger.

The wheels have arrived!

We have 32 bike wheels awaiting collection by various village groups, organisations and businesses. The wheels, kindly donated by 'Pedalheads Cycles' in Knaresbrough are to be used to create Commemorative Wreaths and will be part of the

Festival display in St Peter's.

Thank you to those groups who have already indicated a willingness to make a wreath. The wheels can be decorated using a range of materials in a way that is appropriate to the overall theme of 'Remembrance'. Appropriate wording e.g. 'Lest we forget or We remember 1918 - 2018' can be included on your wreath. If you have not been able to collect your wheel prior to Oct 2nd, they will be available for collection at The Community Coffee Morning.

As some wheels will be hung up against a wall or pillar, decoration need only be on one side. Some wreaths will be placed outside the church so please indicate if your wreath is weather proof.

Details of times to deliver your wreath to

church will be in the November Messenger. Labels to indicate the name of the organisation will also be available.

Wear a Pearl Poppy

In 1918 women donated pearls to assist with the war effort and to support the work of The Red Cross. Over 400 pearls were received from across the world. To commemorate this touching story of a generation of women who gave what they had to support those who gave their lives, we are hoping that as many women as possible will wear a pearl poppy.

Knitted and crocheted pearl poppies will be on sale at the Oct 2nd Coffee Morning, along with details of how you can also sign up for a workshop to make your own felt pearl poppy.

Community Bus

Please continue to support. However James will be retiring after the end of the year.

Bookings etc. still from existing phone number. Driving will revert to previous system, i.e. hirer to designate their own driver.

Further information contact James Downey 883089.

RBL Bingo

Thank you everyone who supported the Sept Bingo. Great turn out resulting in £158.00 being raised from the raffle. Thank you as usual to Steve (landlord) and his staff at the Queen Catherine.

Racing night 16th Oct. unfortunately this has had to be cancelled, many apologies.

Massive Thank You - James Downey

The Messenger would like to thank James Downey for being such an accommodating driver over many years, enabling many groups, clubs and societies to have their days/nights out.

In addition James was always prepared to drive for private events- often picking up late into the evening, allowing people to enjoy a sociable get together.

Thank you – you have been amazing.

50's Plus Club

Do you remember the 50's plus club? Would you like to re join? New numbers and a great way of raising money plus generous monthly draws for the villagers.

Also would you be interested in a meat draw? slightly different in that no actual food, but vouchers for Thompsons/Kitsons.

Please contact Maureen Downey 883089.

OSMOTHERLEY COMMUNITY GROUP NEW SEASON

Community Coffee Morning Tuesday, October 2nd 9am - 11 30am in St Peter's Osmotherley.

Our new season begins on Tuesday Oct 2nd when we will be supporting two charities. Following the opening of the new facilities in St Peter's by the Archbishop of York ,we intend to twin our new church toilet. Toilet Twinning is a water and sanitation initiative. By donating to twin your toilet, you help those in desperate poverty to have access to a proper latrine, clean water and the information needed to stay healthy.

Osmotherley village toilets and those in Osmotherley Primary School are already twinned with sanitation projects in Burundi so it seems appropriate to twin our latest model.

We shall also be raising money for The World 's Biggest Coffee Morning which supports Macmillan.

We hope you will be able to join us for the first event of the 2018/19 season.

A full list of dates for all our community events is enclosed in this issue — please keep the poster as a reminder of dates and times. Everyone is welcome.

Osmotherley Village Hall AGM

The village hall committee will be holding their **AGM** on 16th October at 7.30pm in the village hall. It would be great to see representatives from each affiliate group and we invite each group to provide us with an annual report. Let us know what you have been up to this year!

The meeting will conclude with cheese and wine (donations welcome).

Of course anyone who would like to attend will be very welcome, let's show our support for our fantastic village hall.

Post office

Debbie is now running the post office services in the village hall and she is keen to develop a good relationship with the village community, and to offer a reliable and regular service.

Hours of opening are: Mon 9.30am-12.30pm; Tues 9.30am – 12.30pm; Wed 1.00pm-4.00pm.

She is able to offer all post office services, including pension withdrawal, deposit of cheques, car tax and cash withdrawal and deposits. She also holds a small stock of basic stationery.
