

## Osmotherley Pre-school is OUTSTANDING

We received the call from OFSTED on 7<sup>th</sup> November 2017 and our inspection was carried out the following day, but it was just before we broke up for Christmas that the outcome was made public and, as you can see, we are officially rated as OUTSTANDING!

We are all over the moon and, as setting manager, I would like to say a huge thank you to all the staff, committee, parents, and of course, the children. With all the festivities leading up to Christmas, we haven't really had a chance to celebrate so when Blubird signs arrived to put our banner and wall plaque in place, the children were the first to see them!

Gill Hunton

November 1st 2017 saw a change in the management of the Queen Catherine, we say goodbye to Nick and Sandra Keating and a warm welcome to the new owner Steve Irwin.

The change also heralded the retirement of much loved QC employee Ann Dixon (Auntie Ann to many). Ann has worked at the QC for over 34 years along with five different landlords.
