The new season is underway and we look forward to welcoming you to this month's film on **Friday 21st October at the Village Hall.**

THE FRENCH DISPATCH [2021][US] Cert. 15 108mins

Starring: Bill Murray, Frances McDormand, Tilda Swinton, Owen Wilson, Adrien Brody, Benicio Del Toro, Timothy Chalamet and more...

As a weekly magazine from the France-based foreign desk of the Liberty Kansas Evening Sun, 'The French Dispatch' brings a flavour of France to its mid-west readership, courtesy of its suite of (quite possibly eccentric) expat writers. Its final edition beckoning, it prepares submissions for publication, calling on its crème de la crème to do it proud. Each submission is its own story; each is brought to life by a stellar cast as different 'chapters' in the film. Combined, they will be the ultimate 'French Dispatch'. Director Wes Anderson brings his own unique style of creative genius to bear on what could be viewed as a homage to the high-days of print journalism.

Doors open 7.30pm; Film starts 8pm

Can you sponsor the Messenger?

The Messenger has been produced and delivered to houses in the local area since May 2007. The current edition is no 148. Until recently, the adverts in the newsletter have covered the printing costs. Laptops and software have been obtained via a grant and a donation and the editorial work and delivery has been carried out by volunteers.

Times are now different and costs, including printing costs are spiralling. We are short of £30 per month. Therefore, we are looking for sponsors from the local community to cover costs. If you are in a position and willing to sponsor us, we would be very grateful. In return we will include a 'thank you' at the top of the front page and contact details or a link to your business as required. Please email the Editors to discuss os.messenger@gmail.com

New developments at Cote Ghyll

Jon, Helen and the team at Cote Ghyll are planning an Open Day, combined with a McMillan Coffee Morning, at the Mill on **Saturday 15th October** 11am-2pm. Residents of Osmotherley are invited to pop in, say hello and take a tour of the Mill.

Much has changed in the last 10 years. Cote Ghyll now have four self-catering holiday apartments - ideal for when friends and family are visiting the area. They are also refurbishing the main entrance to the Mill creating a warm and welcoming entrance area with outdoor seating where passing walkers and bikers can enjoy refreshments. Helen said:

'We would love to show our friends and neighbours what we have achieved at the Mill since we took over in 2002 and how much we have invested in creating a family-friendly environment for everyone to enjoy. Refreshments will be available, and our team will be on hand to show people around and talk about our plans for further developing the Mill.'

Our Supermobile library provides access to a range of materials held by the library service. It carries around 3,000 items of stock, including books, DVDs and audio-books and visits 20 locations a month. You can request items from the Supermobile as you would from a library. And you can join the library service by visiting the Supermobile at your nearest stop.

You can come on the vehicle to choose your own books but if you would like us to select books for you to collect when we visit call us in advance on [01609 533878](tel:01609533878) or email supermobile@northyorks.gov.uk.

For the full timetable of Supermobile visits with dates and locations please visit- www.northyorks.gov.uk/supermobile-library

James William Downey

Following James' tragic accident and his subsequent death, I would like to thank the village of Osmotherley for the many cards, letters and genuine acts of kindness. I have sincerely appreciated all your support and concern. God bless you all.

Tuesdays Together

Our new season will begin on **Tuesday October 4th** 10 am - 12 noon.

Following a successful event as part of our Summer Tuesdays Together programme, Revd Bill will once again be serving his very popular bacon sandwiches. We do hope you will be able to join us for what will be the start of our 10th season. We look forward to seeing everyone

Remembering James

Following consultation with James' wife Maureen, Osmotherley Community Group made a donation in memory of James Downey to Yorkshire Air Ambulance. James was a much loved member of our community and we will miss him.

Thanksgiving at St Peter's

There will be a traditional service of **Harvest Thanksgiving** on **Sunday October 2nd** at 10 45am when we will be joined by the Osmotherley Silver Band. Gifts of tinned foods can be left in the regular receptacle for Hambleton Foodshare

Regular services are held at St Peter's each Sunday at 10 45 am. Everyone Welcome.

Second-hand books wanted

Do you have any spare second-hand children's books? A recent survey revealed that 51% of children do not own a book.

A Middlesbrough Food Bank is providing children's books for families using the Food Bank, free of charge, to keep or return as wished.

If you would like to donate children's books (for all age groups), please contact Annie Peart at anniepeart@live.com or ring/text: 07799 374379.

Books can be dropped off by arrangement and I am also happy to collect. Thank you.

Welcome Packs are available for Osmotherley, Thimbleby and the surrounding areas, so if you have recently moved into the village, or know of someone who has, please contact Chris Edmonds, 883408 or Hugh Thompson, 883479, to get one delivered.

Next meeting **Tuesday 4th October** at 7.30pm in the Village Hall.

There is a change to the published programme as the original speaker is unable to attend. However, we have secured the services of **Peter Williams** to talk about 'Unnatural Gardening'. Peter says:

"Much is now made of the need to garden naturally and to garden for wildlife. This talk looks at the concept of natural gardening and questions whether this current fashion is actually possible, sustainable or even desirable. The talk has four main sections – native vs alien species, naturalistic planting, encouraging wildlife into the garden and organic gardening. The conclusion reached might well be that all gardeners – even the most 'ecologically sound', definitely adopt unnatural practices!"

This talk adopts a humorous approach but covers important underlying themes. Members free, guests £2.

Tuesday 25th October at 2.30pm in the Village Hall, there is a talk by **Andrew Willocks (RHS Senior Wildlife and Gardening Specialist)** on 'Gardening and Wildlife'. Members free, guests £2. We look forward to seeing you.
