Osmotherley Community Group

The month of May sees the return of our weekly '**Tuesdays Together**'. Beginning on Tuesday May 9th between 10am and 12 noon 'Tuesdays Together' provides regular weekly opportunities for our community to meet together for coffee, conversation and refreshment. The refreshments will be different every week. Our first session will include Coronation themed refreshments as we continue to celebrate the Coronation of King Charles III. We do hope you will be able to join us.

A New Quiet Space

St Peter's church building sits at the heart of our village and is open every day. It is a place of prayer, worship and community and welcomes everyone from our locality and beyond. Our visitors book shows that people come to St Peter's not only from all over the United Kingdom but from all over the world too. Situated in The North Yorkshire Moors National Park we welcome walkers along the Cleveland Way and those who come to enjoy a ramble in our beautiful countryside.

We have recently created a quiet, welcoming space at the rear of the South Aisle. There is comfortable seating and a water station with light refreshments available, along with reading material for adults and children. We hope that families, residents and visitors will take the opportunity to experience the calm, peaceful atmosphere of our historic building.

You are always welcome.

Osmotherley Area Parish Council

Osmotherley Area Parish Council Meeting 20th April 2023

The council met on the third Thursday of the month as usual and five members of the public attended to raise concerns over the difficulties experienced with the footpath in front of the QC. The council have already reported its concerns with the National Park. The footpath isn't a straight clear line in front of the building and enquiries are underway as to the exact line this should take. The council wrote to the owner in September 2021 confirming our rights regarding the footpath and parking spaces.

The Summer Games - some residents have concerns that music and fireworks will cause disturbances in the village. It was agreed to ensure that the relevant authorities be notified.

Other matters - the leak on Clack Bank continues to stream and Highways have had a look at the problem which will need the tree/hedge roots cleared in the verge; this requires a high pressure jetter with a root cutter to undertake the work. Unfortunately, this is not something that will happen quickly but at least a fault has been identified! It is hoped to engage Highways to cut back overgrown grass on the footpaths in front of the Village Hall to aid wheelchair and push-chair access. An issue replicated on Clack Lane too. A full tree condition survey of the village trees will be commissioned. The damaged cobbles in front of Moon House will be repaired.

The annual accounts were presented to the council for approval and audit. It was emphasised by the PC that if any business or resident in the village did not follow the appropriate NYMNP requirements it is incumbent upon them to report any and all issues.

The next meeting and AGM is on the 18th May 2023.

Celebrating the Coronation of King Charles III - 7th May 2023

Calling all villagers. This is an invitation for everyone to come together in the middle of the village - dressed for the occasion, with a picnic and other refreshments if you wish - to celebrate the Coronation of King Charles on Sunday 7th May at 2pm. Hopefully we can manage a village photograph to capture this memorable occasion.

It would also be nice if you could decorate and put bunting up round your own property to make the village look festive.

SUMMER GAMES NEEDS YOU!

If you can help on or before 1st July please

1) Contact Mike Rowe : 07502 263141

or

2) Come to Village Hall Tuesday 9th May 8pm.

Website help urgently required!

Do you have any website development expertise, specifically using Wordpress, and can spare an hour or two to solve a problem with the Osmotherley website? If so, please contact John Robinson 07801591566 (clerk.osmotherleyareapc@gmail.com). Your help would be most gratefully received.

Save Our Bells

The Osmotherley bells are in need of urgent attention. Some of the bells date back to the 18th century and it is almost 100 years since they had any work done on them.

You are invited to a presentation on Wednesday 10th May at 7pm in St Peter's by Ian Staves and David Town on the options available to us.

If you are unable to attend but would like to know more about this project please contact Mike Hunter [m.hunter@fleetfactors.co.uk or 07711 082829]
